Menotau May 7. 1846.

Dear Sir,
I have the honor to acknowledge the receipt of your letter of the 2nd inst. in relation to the purchase of a lot of land in the town of Menotau, and in reply to inform you that the same has been purchased for the sum of \$100.00 and the title is now in the hands of the State of New York.

I am, Sir, very respectfully,
Your obedient servant,
G. W. Perkins

Meriden May. 7th. 1848.

Dear Sir.

In the last number of the Union Missionary, I observed some notice of home missionary operations by the Union Society. I wish to know more particularly, what is actually done, or doing in this department: Have you Home missionaries at the South?— or shall you have soon?— I intend, if you are doing any thing in this department, to turn as much of our home missionary contributions as possible, to that channel. As the time for taking it up our contribution is close at hand, I should like to know, something definite on the subject as soon as possible. If there is hope of effecting any thing we will try to help you annually. I need not say that I hope you will take up this work efficiently.

I like your reply to Bacon, much. I am sorry you cannot go on with it. — If your health compels you to go to the country I should be glad to see you at our house.

Yours

G. W. Perkins.
